

AMENDMENTS TO THE CLAIMS

Please amend the claims as follows.

1.-12. (Canceled)

13. (Previously Presented) A system comprising:

a first printer configured to provide a print acceptance screen to a client computer;
the client computer configured to send a new print request directly to a second printer
using the print acceptance screen provided by the first printer, wherein the new print
request specifies a peripheral device on which data to print is stored; and
the second printer configured to request the data to print from the peripheral device and
print the data upon receipt from the peripheral device.
